MEMORANDUM FOR: [REDACTED]

Assistant Chief of Operations, DD/P

SUBJECT:

Inquiry from National Production Authority
Regarding Insulin and Blood Plasma, ER-3-0346

25X1A
1. Without disclosing the source of the inquiry, we discussed the questions raised in your memorandum of 24 June 1952 with [REDACTED] Deputy Chief of Security of the National Production Authority. He advises that all material received by NPA is carefully reviewed and appropriately classified and controlled to prevent unauthorized disclosure.

2. Regarding the survey in question, [REDACTED] ascertained that the request inadvertently failed to indicate that the information would be treated in a secure manner. Upon receipt the subject survey is being classified confidential and [REDACTED] feels that all steps necessary are being taken to assure that the information will be securely held.
